Uppsala, Sweden

# Nordic Test Beds

- **THE PROJECT AIMS** to create an international collaboration network with access to 5 Scandinavian university hospital test beds.
  - **LEARNING BY DOING – Worked 15 CASES**

## GOALS

- **NoTeB will support developers and companies to run cases in realistic Nordic cross border test bed environment.**
- **The care providers will improve their implementation of new innovative and user friendly products/services generated by the health care professionals and industry**
